NOTICE OF PROPOSED RULEMAKING

Adopted: June 27, 2007

Released: June 29, 2007

Comment Date: August 20, 2007

Reply Comment Date: September 4, 2007

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a Petition for Rule Making filed by Bruce Quinn (“Petitioner”), requesting the allotment of Channel 231A at Oolitic, Indiana, as the community’s first local transmission service.¹ Petitioner states that he will file an application for Channel 231A at Oolitic to construct the facilities if the application is granted.

2. In support of the proposal, Petitioner states that Oolitic has a population of 1,200 persons, is 70 miles from major cities such as Indianapolis and Louisville, and deserves its first local service. The community was incorporated in 1901, is governed by a Town Council, has its own police and fire departments, and provides wastewater service and utilities to its citizens. It was founded for the trade of the oolitic limestone quarried nearby, which was used to build many great structures in New York City and Washington, D.C., including the Empire State Building and Washington National Cathedral.

3. We find that the allotment of Channel 231A could serve the public interest. A staff engineering review reveals that Channel 231A can be allotted in compliance with the Commission’s minimum distance separation requirements, with the imposition of a site restriction of 13.2 kilometers (8.2 miles) northwest of the community at reference coordinates 38-59-16 NL and 86-37-47 WL. We note that the proposed Channel 231A is short-spaced to the licensed site of Station WQKC-FM, Channel 229B, Seymour, Indiana. However, Station WQKC-FM’s license was modified to specify operation on Channel 230A at Sellersburg, Indiana in MB Docket No. 03-98.² Moreover, the FM Table of Allotments was amended to reflect this change. Therefore, no protection is afforded to this license site. As such, we are sending a copy of this *Notice of Proposed Rule Making* to S.C.I. Broadcasting, Inc., licensee of Station WQKC-FM.

4. Accordingly, we seek comment on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission’s Rules, with respect to the community listed below, to read as follows:

¹ This *Notice* is being issued in response to a Petition for Reconsideration of the letter dismissal of a Petition for Rulemaking which was originally filed, and returned by letter. The Petition for Reconsideration is dismissed as moot.

² See *Seymour and Sellersburg, Indiana*, Report and Order, 19 FCC Rcd 15312 (MB 2004).

However, any new written information elicited from such a request or any summary of any new information shall be served by the person making the presentation upon the other parties to the proceeding in particular docket unless the Commission specifically waives this service requirement. APPENDIX

1. Pursuant to authority found in 47 U.S.C. Sections 4(i), 5(c)(1), 303(g) and (r), and 307(b), and 47 C.F.R. Sections 0.61, 0.204(b) and 0.283, IT IS PROPOSED TO AMEND the FM Table of Allotments, 47 C.F.R. Section 73.202(b), as set forth in the *Notice of Proposed Rule Making* to which this Appendix is attached.

2. Showings Required. Comments are invited on the proposal(s) discussed in the *Notice of Proposed Rule Making* to which this Appendix is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding.

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments. (See 47 C.F.R. Section 1.420(d).)

(b) With respect to petitions for rule making which conflict with the proposals in this *Notice*, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; Service. Pursuant to applicable procedures set out in 47 C. F.R. Sections 1.415 and 1.420, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this Appendix is attached. All submissions by parties to this proceeding or by persons acting on behalf of such parties must be made in written comments, reply comments, or other appropriate pleadings. Comments shall be served on the petitioner by the person filing the comments. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. Such comments and reply comments shall be accompanied by a certificate of service. (See 47 C.F.R. Section 1.420(a), (b) and (c).) Comments should be filed with the Office of the Secretary, Federal Communications Commission, 445 12th Street, S.W., TW-A325, Washington, D.C. 20554.

5. Number of Copies. In accordance with the provisions of 47 C.F.R. Section 1.420, an original and four copies of all comments, reply comments, pleadings, briefs, or other documents shall be furnished the Commission.
