NOTICE OF PROPOSED RULE MAKING

Adopted: March 26, 2008

Released: March 28, 2008

Comment Date: May 19, 2008

Reply Comment Date: June 3, 2008

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a Petition for Rule Making filed by White Park Broadcasting, Inc. (“Petitioner”), proposing to allot Channel 300C3 at Basin, Wyoming, as the community’s second local service.¹ Petitioner concurrently filed a FCC Form 301 new station application² for Channel 300C3 at Basin, and was required to submit a filing fee pursuant to *Revision of Procedures Governing Amendments to FM Table of Allotments and Changes of Community of License in the Radio Broadcast Services*.³ Petitioner certifies in its petition, that if the requested FM channel is allotted and its concurrent application is granted, it will participate in the auction process for the channel.

2. In support of the allotment, Petitioner states that it is the permittee of unbuilt Station KBEN-FM, Basin, Wyoming, and that it has filed a one-step application⁴ to modify this permit to specify Cowley, Wyoming, in lieu of Basin, Wyoming, as the station’s community of license. Petitioner states that it has filed the instant rulemaking petition to provide for a backfill allotment should its application for Station KBEN-FM to change the community of license be granted. It states that the backfill allotment it proposes will ensure that the residents of Basin are not deprived of their potential first local service while the residents of Cowley will also receive a first local transmission service.

3. We believe the proposal warrants consideration because it would enable Station KBEN-FM to change community of license without depriving the community of Basin of its first potential local transmission service under Priority 3 of the FM allotment priorities.⁵ Basin (2000 U.S Census population 1,238 persons) is a community for allotment purposes.⁶ A staff engineering analysis indicates that

¹ Petitioner states that it is the permittee of unbuilt Station KBEN-FM, Basin, Wyoming.

³ Report and Order, 21 FCC Rcd 14212 (2006) (“*Revised Allotment Procedures R&O*”)

⁴ File No. BMPH-20070716ABY.

⁵ The FM allotment priorities are: (1) First full-time aural service; (2) Second full-time aural service; (3) First local service; and (4) Other public interest matters. Co-equal weight is given to Priorities (2) and (3). See *Revision of FM Assignment Policies and Procedures*, Second Report and Order, 90 FCC 2d 88 (1988).

⁶ See *Kaycee and Basin, Wyoming*, Report and Order, 15 FCC Rcd 15767 (MB 2000).

Channel 300C3 can be allotted to Basin consistent with the minimum distance separation requirements of the Commission's rules, without a site restriction at coordinates 44-22-48 NL and 108-02-18 WL.⁷

4. Accordingly, we seek comment on the proposed amendment of the FM Table of Allotments, Section 73.202(b),⁸ as follows:

<u>Community</u>	<u>Present</u>	<u>Channel</u> <u>Proposed</u>
Basin, Wyoming	---	300C3

The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required in paragraph 2 of the Appendix before a channel will be allotted.

⁷ We note that the site proposed by Petitioner in its simultaneously filed application, File No., BNPH-20080208ADU, at coordinates 44-30-42 NL and 107-36-03 WL, would not meet the Commission's spacing requirements specified in 47 C.F.R. §73.315.

⁸ 47 C.F.R. § 73.202(b).

⁹ 47 C.F.R. §§ 1.415 and 1.419.

8. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to a rule making proceeding to amend the FM Table of Allotments, Section 73.202(b).¹⁰ This document does not contain proposed information collection requirements subject to the Paperwork Reduction Act of 1995, Public Law 104-13. In addition, therefore, it does not contain any proposed information collection burden “for small business concerns with fewer than 25 employees,” pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198, *see* Section 3506(c)(4).¹¹

9. For further information concerning a proceeding listed above, contact Victoria McCauley, Media Bureau (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision in the applicable docket is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or any summary of any new information shall be served by the person making the presentation upon the other parties to the proceeding in a particular docket unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.
